

Application No. 10/730,712  
Amendment dated July 6, 2005  
Reply to Office Action of June 6, 2005

**Amendments to the Claims:**

Please amend the following claim as follows:

70.           **(Currently Amended)**     A method of delivering an effective agent to an animal comprising the steps of:

                  providing a pliable film comprising at least one binder, at least one lubricant, at least one solvent for said binder and said lubricant, and an effective amount of at least one effective agent; and

                  placing said film within the oral cavity of said animal by adhering said film to the tongue of said animal.
